Dear Ms. Smith,

Thank you for your interest in serving in this great Nation's military by applying to my office for a Congressional nomination to the United States Air Force Academy.

After a thorough review by my Academy Committee, I am pleased to inform you that this distinguished group has recommended that I nominate you to the Air Force Academy. I strongly agree with the Academy Committee, and it is an honor and privilege as your Member of Congress to submit your name in nomination to the Air Force Academy.

Early next year, the Air Force Academy will finish its review process of the students I have nominated, and it will inform the Congressional office of any appointments to the academy. If you are chosen to be appointed to the Air Force Academy, you will be contacted personally to be informed of this great achievement.

You should be very proud of this great accomplishment, and it is a testament to your hard work, dedication and character. Your community, family, friends and school share in this pride, and I wish you great success on what I know will be a bright future.

Sincerely,

  
Anthony Brindisi
