District Clerk: Gail Burpee

April 13, 2021

Dear Parents and Guardians,

New York State requires students in grades **PK, K, 1, 3, 5, 7, 9, 11** and **new entrants** to Otselic Valley Central School, receive a physical examination. Community Memorial Hospital will be available at our school on several occasions to perform physicals on the students in these selected grades. The physicals are free and include a complete head to toe assessment. If your child is in 6th or 7th grade, they may require a Tanner assessment if they indicate to us they are going to play a sport either this year or next year. If your child has already had a physical examination by their own practitioner, please have the doctor's office fax a copy to me prior to April 26, 2021. Our fax number is 315-653-7500. **If we do not have proof of a physical in your child's medical chart by April 26, 2021, a physical will be performed by Community Memorial Hospital at our school.** Please sign the form below and return to the nurse as soon as possible.

Sincerely,

Stacie Morse, RN, BSN
School Nurse
