NEW BUSINESS

Public Hearing
(FY'08/09 - # 18)

Mr. Thomas distributed a brochure outlining the project. Mr. Cruikshank and Mr. Brown reviewed the timeline to date. Mr. Cruikshank announced there will be voting in both school buildings and that residents will be required to register if they haven't voted in a District election since January 1, 2004 or are not enrolled with their county. Mr. Steve Thesier from BCK explained the architect's rendition of the proposed building. Mr. Al Hugaboon explained what The Greenwood Corporation will do for the project. Several in attendance are concerned with entering a project of this magnitude with the way the economy is now. Mrs. Meigs inquired "How is this the right thing to do and how will it benefit me?", which echoed the sentiments of several others in attendance. The board members shared their belief and commitment to the project in response to that question.
